Regular videoconf meetings

1 / month ?

Every last Monday of the month ?

at 3pm GMT ?

Who is taking care of it ?

New fields in existing table or new table

Open an issue on github with motivations

Send an email on ispyb-dev list

Wait for feedback on github

If no feedbacks, automatic agreement:

-> modifications are agreed after **3, 4 weeks** ?

Several new tables or schema modifications

Open an issue on github with motivations

Send an email on ispyb-dev list

Wait for feedback on github

-> no automatic agreement

-> the person who opened the issue is the “subproject manager” and organize a meeting/videoconf to discuss it.

Ex: issue #20 Pins with multiple crystals

<https://github.com/ispyb/ispyb-database-modeling/issues/20>

How to integrate new techniques

Discussion about cryoEM: suggestions of enhancement

-> 1 topic meeting to be organized soon

In a general manner:

- > Re-use tables / create new tables ?

Decide about these proposals ?

- > Discussion
- > Make them guidelines acknowledged by Steering committee
